

Extraordinary Ministers of Holy Communion

I write to thank you for your service to Christ and His Bride, the Church. Moreover, I ask you to follow the guidelines below, so that we may continue to foster reverence for Jesus in the Eucharist while simultaneously protecting ourselves from the reality of germs. I would like those distributing Holy Communion to do so with clean hands (and hopefully, clean hearts!)

The procedure is as follows: *Please note the changes and additions in #8 & #9

- 1) As soon as the sign of peace begins, please assemble a line at the foot of the sanctuary in front of the indented steps in the main aisle (as you've been doing all along).
- 2) As soon as you have everyone, proceed to the sacristy (if you're missing someone, hopefully this will be noticed and a volunteer will come to the rescue).
- 3) When in the sacristy, please use the hand disinfectant provided.
- 4) Line up at the doorway of the sacristy and wait until Father has received both the Body and the Blood of Our Lord, and puts the chalice back on the altar.
- 5) Come into the sanctuary, and proceed to the back of the altar for you to receive Our Lord under both Species.
- 6) Assist Father in the distribution of Holy Communion.
- 7) Return your ciborium/chalice to the altar and return to your pew.
- 8) Should anyone come up to receive a blessing simply bless them, "Receive the Lord Jesus in your heart" without raising your hand as a Priest would do.
- 9) Following the distribution of Communion you are welcome to purify your fingers in the ablution bowl near the tabernacle.

Please get a substitute if you cannot assist at the designated Mass; this is your responsibility. Please check in before Mass so the celebrant knows you are present.

Please note that we need you to volunteer for Masses on holydays. Please sign up in the sacristy when the announcement is made.
