

Your role in proclaiming the Word of God is paramount. Remember, it is not words you are reading, you are proclaiming God's Word. You must have good poise, enunciation, interpretation and projection. You must know how to use the microphone. It is a vital aid to amplify the Word but it cannot proclaim it. If you do not, you are doing an injustice.

Again, please read the procedure. If you have any questions, please let me know. Thank you.

If you are not able to read at a Mass for which you are scheduled, please call someone to replace you. Thank you
