October Church Tours following Weekend Masses St. John the Baptist Church is blessed with much beauty in its art, structure, and the presence of saints seen not only in the sanctuary, but also in the windows and in the relics on display. The Adoration Chapel is also a place of much inspiration and prayer. Tours of our church will be available after each Mass in October for parishioners to get a first hand guided tour of our beautiful church. Limit 10 persons per tour. We hope you can join at some point. Join your "tour guides" following Mass in front of the Marian Altar as they share information on the rich treasures of our parish!

Respect Life Sunday - October 5-6, 2024 - Knights of Columbus LifeSavers

Every October, the Church in the U.S. celebrates **Respect Life Month**. We reflect on the gift of every human life and how to build a culture that protects life from conception to natural death. Jesus, truly present in the Eucharist, gives us the fullness of life. While we live in a society that often rejects those who are weak, fragile, or vulnerable, they are the most in need of our care and protection. He calls each of us to respect that gift of life in every human person. **Following the October 5-6 weekend Masses**, the KCs will have LifeSavers available for a donation to support their Pro-Life activities such as scholarships for attending March for Life, purchasing ultrasound equipment for area Pregnancy Resource Centers and attending their annual Banquet of Life. We greatly appreciate your donations.

You are invited to a Transitus Service on Thurs., Oct. 3rd at 6pm here at St. John's hosted by the Secular Franciscans. Transitus is the annual celebration by Franciscans throughout the world of the passing of St. Francis from this life to life with God. The Sisters of the Franciscan Congregation of Divine Mercy will have a first class relic of St. Francis that will be available for veneration during and after the service and again on Friday, Oct. 4th on the **Feast Day of St. Francis at the 7:00am Mass. Please join us!**

Diaper Drive

The St. John's Family Life Committee will host a Diaper Drive in support of the Hannah Center, a non-profit organization that exists to assist women in life crisis through compassion and guidance in a nurturing environment. They are committed to preserving life, providing a home and promoting change. Our participation will help families who are unable to provide an adequate monthly supply of fresh diapers for their children. Our efforts in this diaper drive will go a long way to ensuring that these babies get a healthier start in life. The Diaper Drive will take place during the month of **October-Respect Life Month**. Please drop off diapers at the designated table in the entry.

FROM THE PASTOR'S DESK

Dear Parishioners: This coming Wednesday is the 10th anniversary of my ordination to the Diaconate. On October 2, 2014 I was ordained a Deacon in the Basilica of St. Peter in Rome. It was a special day as about 50 of my classmates got ordained with me. I recall the slightly strange yet wonderful feeling of being able to bless sacramentals and persons following my ordination. The day following my ordination Bishop Callahan celebrated a Mass in the chapel of St. Lawrence, the very location where this saint was martyred almost 1,800 years ago. It was my first Mass as a Deacon and I felt honored that our bishop at the time was able to celebrate this Mass at this most unique spot in gratitude for my ordination. The day following I travelled with a bus of pilgrims from Boyd and Chippewa Falls to San Giovanni Rotondo. Here I served as Deacon at Mass at the very altar of St. Padre Pio, the location where he celebrated Mass for over 50 years in the early 1900's.

I look back at the past 10 years with gratitude. I received the grace of priestly ordination the following summer in La Crosse and then have served now in four different assignments (8 different churches) in the subsequent years. The 4,500 Masses I have celebrated bring back many blessed memories. As I look forward to many more years in service to Christ and his Church, I wish to encourage vocations to the priesthood and religious life. A life lived for Christ is rich: rich in deep encounters with people of every age and rich in closeness to His merciful love.

May St. John the Baptist pray for us and our parish and for all vocations.

Fr. Thelen

Heart of the Revival

This past summer a number of parishioners from St. John's attended the Eucharistic Congress. Wanting to pass on the zeal they experienced while there, the next few weeks they will share a few of the inspiring words that impacted them from some of the excellent speakers during this event.

Encountering Jesus in the Blessed Sacrament can influence the rest of our lives. St. Charles de Foucauld evangelized non-Christians in the Sahara Desert. He spent hours each day before Jesus as he understood that he needed to come to Jesus in the Eucharist in order to be transformed by the Holy Spirit, filled with His strength to be able to be an evangelizing witness to Christ. (cf Pope Benedict XVI)

Spend some time reflecting on your own vocational state. As the Church so beautifully teaches, we all participate in the mission of Jesus through our Baptism. How do you, in your state in life, take part in the saving *mission of Jesus, which is rooted in the Eucharist?* For those discerning their vocation, how might Jesus be inviting you through a particular vocational state to make a complete gift of yourself to him?

Sr. Alicia Torres F.E.

Encounter Jesus in the Eucharist. He waits for you!

Politics, Voting and Christian Faith

As Christians, we do not leave our faith behind when we engage the world of politics and elections. We understand that politics, like every other part of life, must be illuminated by God's light or we will stumble in the dark. A generation ago, a large majority of Americans shared this view. Call it the Classical Christian worldview. It was the common foundation for our social and political life; we assumed it like the ground beneath our feet. Today, however, that foundation is under attack from another worldview, one that rejects God, or at least marginalizes him, as it makes the self supreme. Let's call it the Radical Selfist worldview.

The Classical Christian Worldview

The Classical Christian worldview holds that we have received our lives as a gift from a God who loves us, and that we are accountable to him. It believes in moral laws that God has written on our hearts and clarified through his revelation. This is his blueprint for us, his design for our happiness and fulfillment. This blueprint reveals to us certain foundational moral principles. Among them, we see:

- That every human life, of every race and nation, born and unborn, is sacred, with equal rights and dignity;
- That we are created male or female according to God's plan;
- That sexual relations are meant for marriage between one man and one woman;
- That religious freedom and the rights of conscience are sacred.

Though we are imperfect human beings, we work to build our lives on foundational principles such as these, as we raise our families and shape our social and civic communities.

The Radical Selfist Worldview

The Radical Selfist worldview opposes everything we have just described, rejecting the idea of a God-given blueprint. Everything is up to personal 'choice.' We can choose our own gender, our preferred exercise of sexuality, our definition of marriage, and even whether a child in the womb shall live or die. Radical Selfism preaches tolerance until it gains power, at which point it seeks to intimidate, silence and punish those who disagree with it. Unfortunately, this worldview has been promoted by many in Hollywood, mass media, and big tech. It has also infected substantial segments of corporate America, the education system, and government.

Political Consequences

Sadly, the current political landscape essentially forces us to choose between these worldviews. This choice has weighty consequences at every level of government, from the White House and Congress to State and local officials and school boards. The most telling indicator of Radical Selfism is advocacy of abortion, by which man steals from God the very power over life and death. By far the gravest human rights violation of our time, abortion has cost the lives of more than 64 million unborn babies in our nation. Thankfully, the Supreme Court's *Dobbs* decision reversing *Roe v. Wade* returned abortion law to the states. But abortion advocacy continues with its deceitful buzzwords and slogans, closing its eyes to the life of the child in the womb. And abortion is inevitably clustered with other positions of the Radical Selfist worldview.

What is a Christian to do?

While we cannot expect perfection from any political candidate, it is vital that Christians support those most closely aligned with the Classical Christian worldview, and oppose those aligned with the Radical Selfist worldview. For Radical Selfism, with its worship of 'choice' in place of God, inevitably produces bitter fruits: moral and civil breakdown, destruction, and death. It is simply impossible to achieve lasting harmony and peace without adhering to the foundational principles of God's plan. Therefore, let us be courageous witnesses to the Gospel, and pray tirelessly that God might heal our nation and lead us in his ways. And let us intensify our efforts to elect candidates with the courage to stand up for the God-given principles and rights on which our nation was founded. Our future, and the future of our children and our grandchildren, is at stake.

Christopher Ruff, Director of the Office for Ministries and Social Concerns.
