

Your role in proclaiming the Word of God is paramount. Remember, it is not words you are reading, you are proclaiming God's Word. It is important to have good poise, enunciation, interpretation and projection. The microphone is a vital aid to amplify the Word but it cannot proclaim it.

Again, please read the procedure. If you have any questions, please let me know. Thank you.

If you are not able to read at a Mass for which you are scheduled, please call someone to replace you. Thank you
