## FROM THE PASTOR'S DESK

Dear Parishioners of St John the Baptist!

Prayers for each of you during this Holy Season! I hope your Christmas was blessed with safety and good company. Prayers also as we enter this New Year of 2026. I keep in my thoughts especially those who have lost loved ones in the past. These times of celebration can be painful as those whom we love are no longer with us. May the Lord Jesus console you. Jesus provides solace whenever we turn to him.

As in years past during this season of greater solemnity I attempt to introduce incense more frequently into the liturgy. For those who attend the 7am and the 9am Masses, we have been using incense on most Sundays beginning in Advent and continuing through Christmas. We will do likewise during Lent and Easter. I have chosen not to have incense at the other Masses so that those with sensitivity to incense have opportunities to attend Mass without incense.

Incense has much symbolic significance. But before I share the symbolism, I recall one professor in seminary commenting on a very practical aspect of incense. The seminary professor mentioned that in olden days many persons coming to church carried with them a certain degree of body odor. The incense was a helpful way to quiet any emerging scents so that those coming to worship could focus on the Lord and not on their neighbor. My Dad always thought that this was why they named the seating in churches a 'pew'. :)

Practical humor aside, incense provides some very important symbols for us as Catholics. The first is its use in Scripture. The Book of Revelation says, "The smoke of the incense along with the prayers of the holy ones went up before God from the hand of the angel." (Rev 8:4). Thus incense, just like candles, are symbols of our prayers going up to heaven. Votive candles communicate this important message in particular. Long after the person offering a petition exits the church, the candle remains burning, thus symbolically extending the person's prayer and petition for hours and even days within the church.

The second and perhaps even greater symbolism of incense is mystery. I could write much about mystery as this is a central purpose of worship. We are hard wired to adore God who is both revelation and mystery. Suffice it to say, just like fog can create a sense of suspense, the smoke of incense can effect a sense of the Divine, of a God whom we worship and love, but yet cannot fully know.

May St. John the Baptist pray for us.

Fr. Thelen

### **Need Hope?**

Take a Minute to Get to Know  
*Jesus is our hope.*  
(see 1 Timothy 1:1)

***Christmas: Jesus is Our Hope***

As we continue to celebrate the birth of the Christ Child, let us seek deeper communion with the Son of God who is our hope. We are reminded at Christmas that "each year, as the Church recalls this mystery, she urges us to renew the memory of the great love God has shown us. This holy season teaches us that Christ's coming was not only for the benefit of contemporaries; His power has still to be communicated to us all. We shall share His power, if, through holy faith and the Sacraments, we willingly accept the grace Christ earned for us, and live by that grace and in obedience to Christ." (Saint Charles Borromeo, bishop).
